Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

Excerpt: . . . issued year after year as suitable for mixed education, and ostensibly accredited as such to the Roman Catholics chiefly by Archbishop Murray himself. Parliament was asked year after year for large and increasing votes to the Board, on the ground of the existence of this important amount of Scriptural and religious instruction in the National Schools. Protestant clergymen and laymen were invited, and many of them induced to join the Board on the faith of it; and yet we are now coolly told by Archbishop Murrays friends, that it was a total mistake, --that he approved of the books only for Protestants, and that he never intended that they should reach the hands of a Roman Catholic child. But not the least strange part of this curious lit tie history is the contrivance by which the religious books were eventually gotten rid of. The task was one of no ordinary difficulty; the books had been compiled, and recommended by the National Board itself, for general mixed education. They were well received and popular among the Roman Catholic laity, the inferior clergy, and even among the nuns. Parental authority plainly could not be evoked to effect their expulsion; and the Court of Rome did not consider it desirable that priestly authority should be brought too prominently to the task; it was reserved for the National Board itself to become the instrument of its own stultification. For this purpose a seemingly harmless paragraph was suggested by...
