Brand New Book ***** Print on Demand *****.The inspiration behind our book *Something New: The Bride s Complete Guide to Writing Thank You Notes*, was to simplify and streamline the enormous task of writing thank you notes for wedding gifts. The book includes over 200 sample thank you notes, which range from gifts of china to peculiar gifts for which a bride may not quite know the best way to thank the recipient of the note. The book also includes tips on how to address thank you notes based on each recipient s title and living situation. Our companion book *Something New: The Bride s Complete Guide to Tracking Thank You Notes* offers brides an organized way to record each gift they have received, who gave them each gift, and whether or not a thank you note has been mailed for each gift. The book is divided into 10 sections for different wedding events, with room to record information for up to 50 gifts for each event.
