BRILLIANCE AUDIO, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. Like New York Times bestseller *Reconstructing Amelia*, a stunning debut about a young teenager on the brink and a parent desperate to find the truth before its too late. Thirteen year old Callie is accused of bullying at school, but Rebecca knows the kind and gentle girl shes raised is innocent. While Callie is eventually exonerated, threatening notes from her alleged victim, Robyn, begin to surface, and as the notes become suicidal, Rebecca is determined to save the unbalanced Robyn. As Rebecca navigates school disapproval and mean moms while trying to comfort Callie and help Robyn, she recalls her own intense betrayals and best-friendships at that age. Then, her failure to understand those closest to her led to losing them forever, and shes determined that this story will end differently. But Rebecca has failed to understand what is really happening in Callies life, and now Callie is in terrible danger. This raw and beautiful story investigates the intensity of adolescent emotions and the complex identity of a teenage girl. *Hyacinth Girls* looks unflinchingly at how cruelty exists in all of us, and how our worst impulses can sometimes estrange us from ourselves or save us.
