Reviews

This written publication is wonderful. It is probably the most incredible publication i actually have read through. Its been written in an extremely basic way in fact it is merely following i finished reading this publication where basically transformed me, alter the way i believe.

(Adan Fritsch)

FROM COMA AND MULTIPLE STROKES TO A STABLE CONDITION

America Star Books, United States, 2012. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is about a man who was dead and came back to life. The story is about a patient who was told that he will die in a couple of days because of a strange sickness that is not found in Americas, Europe and Africa. The sickness is widely found in Asia mostly in Turkey but the patient has not travelled in Asia. The patient had more than twenty lumber punctures, various CT scans, MRI, PET scan, kidney biopsy and the patient refused a brain biopsy. There is Hope when professionals say there is no hope. The biggest problem is the patient him/herself. A positive mind, faith in God and trust in the patient him/herself helps the patient to survive that was my case. If your loved one has been told there is no hope. Believe me your help comes from above. God is alive and does miracles.
