Outlines of Mormon Philosophy

By Lycurgus Wilson

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a short outline of Mormon doctrine written by one of the church s members. Every person, whether consciously or not, gradually builds up, from his observations and reason, a system of philosophy by which he explains, to himself at least, the problems that the new experiences of his life present for solution. It is of great importance, therefore, that, instead of basing one s system of thought upon the contradictory hypotheses of speculative philosophy, we start right, so that our ideas on the questions of life may square with the truth as it is known to the Lord. And these considerations are the excuse for this work. This work is designed rather for study than for reading. To the hasty, illusioned reader, it will prove a short, dull book; but the studious reader, who can render a thought into experience, will find it a voluminous work, profusely illustrated with pictures such as no painter ever transferred to canvas; for to him, because of the nature of the subject, it will tell the whole...
