PSYCHNOTE

John Wiley Sons Inc, United States, 2015. Loose-leaf. Book Condition: New. 274 x 230 mm. Language: English . Brand New Book. PsychNote Binder Ready Version is an innovative new learning program for Intro to Psych which addresses two of the most important course issues: student study skills and textbook affordability. Each chapter contains a condensed overview of important concepts (organized into modules with companion learning objectives) supported by photos, charts, graphs and tables. Each chapter also includes a section containing a concept outline designed to be taken to lecture and used for student note-taking. This outline provides a skeleton view of the important concepts discussed in the chapter and space for a student to write notes from the instructor s lecture. This text is an unbound, binder-ready version.
