I AM NOT A SLUT: SLUT-SHAMING IN THE AGE OF THE INTERNET

DOWNLOAD

HARPER PERENNIAL, United States, 2015. Paperback. Book Condition: New. 201 x 132 mm. Language: English . Brand New Book. Young women today are encouraged to express themselves sexually. Yet when they do, they are derided as sluts. Caught in a double bind of mixed sexual messages, they re confused. To fulfill the contradictory roles of being sexy but not slutty, they create an experienced identity on social media--even if they are not sexually active--while ironically referring to themselves and their friends as sluts. But this strategy can become a weapon used against young women in the hands of peers who circulate rumors and innuendo--elevating age-old slut-shaming to deadly levels, with suicide among bullied teenage girls becoming increasingly common. Now, Leora Tanenbaum--senior writer and editor for the Planned Parenthood Federation of America, author of the groundbreaking work Slut!, and the writer who coined the term slut-bashing--revisits her influential work on sexual stereotyping to offer fresh insight into the digital and face-to-face worlds contemporary young women inhabit. She shares her new research, involving the experiences of a wide range of teenage girls and young women from a variety of backgrounds as well as parents, educators, and academics. Tanenbaum analyzes the coping mechanisms young women currently use and points them in a new direction to eradicate slut-shaming for good.
