It s not just our future that s urban--our present is. What does the Bible say about cities? How should the church go about reaching those billions of city-dwellers? Where do our cities fit into the Kingdom of God? The church needs a comprehensive, gospel-centered response to these questions as we seek to obey God s call to seek the welfare of the city (Jer. 29:7). In *Sowing Seeds of Change*, Michael Crane weaves together theology and praxis, creating a framework for understanding your city, a means of crafting a vision of what it could be, and a way forward towards transforming it. *Sowing Seeds of Change* proposes an approach to the city that is both holistic and Christ-centered, offering churches a balanced, compassionate, well-researched model for ministry in diverse urban contexts. Whether you re a pastor, missionary, seminarian, or urban church member, you ll be challenged, edified, and equipped by *Sowing Seeds of Change*.
