CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 120 pages. Dimensions: 10.0in. x 7.0in. x 0.3in. John Barleycorn is the so-called Alcoholic memoirs of American literary icon Jack London. John Barleycorn was Londons nickname for booze, and his relationship with Mr. Barleycorn is one of lovehate. In spite of the sub-title, London persists throughout this drunken autobiography that he is not an alcoholic. Nevertheless, he eloquently chronicles his tumultuous drinking career with the goal of demonstrating the enormous toll that alcohol can take on the mind, body, and spirit. At times, he glorifies his drinking, but for the most part he seems to resent this seductive destroyer of men, and claims that the only reason he drinks so much is because it is everywhere. He sees drinking as sort of a social obligation, a manly thing to do around other men. Not only does he resent it, but he concludes that prohibition is the only way to stop the destructive force of alcohol. John Barleycorn is not only a story about the effects of alcohol on one mans life, but it is also an adventurous tale of one of Americas first celebrities rise from rags to riches. The narrative begins with Londons poverty-stricken childhood in San Francisco, continues through his teenage years as a brawling oyster pirate, and on into his adult years as a celebrated writer and passionate socialist. The prose is magnificent, and although John Barleycorn was highly entertaining, there is also a sense of sadness for readers as they realize how agonizing this type of life can be. With that said, this is a fantastic piece of American literature. This item ships from La Vergne, TN. Paperback.
