

Later

By Philip Gross

Bloodaxe Books Ltd. Paperback. Book Condition: new. BRAND NEW, Later, Philip Gross, Challenging and tender, these poems are a rite of passage. Philip Gross's much praised previous collection, Deep Field, explored the loosening connections between the self and language in his refugee father's old age. This new book goes further, through the failing of the body, through the mind's weakening hold on the borderline between the present and the traumas of the past. It follows the journey to the end - then beyond, to the tentative byways through which mourning moves. With an instinct for form that both controls and releases depths of feeling, Philip Gross writes poetry that proves it can be trusted with the most raw yet essential things of life.

An extremely wonderful pdf with perfect and lucid information. Better than never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication will be worth purchasing. It is written in straightforward words and not hard to understand. I am just very happy to explain how here is the best ebook we have read in my own lifestyle and might be the best publication for at any time.
