THROUGH THE YEARS

Dreamspinner Press, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Edward and Gene were instantly drawn to each other when they met at college in Maryland. Fast friends, they developed a closer than brothers relationship. But then Edward began to feel more for Gene. In 1967, those kind of feelings would not be tolerated. Not even by Edward himself. Gene always thought he was asexual. He had never been attracted to anyone. until he met Edward. He dreamed of Edward as more than a friend throughout college, but he knew Edward would not welcome that kind of attention. When fate finally brings them back together, Edward is married and has a little girl. Gene gladly accepts the role of Uncle Gene, happy to have Edward in his life in any capacity. Together, they face all the trials and tribulations life throws at them, including the death of Edward's wife, and as each grows and matures, their life views change.
