Jossey-Bass. Paperback. Book Condition: New. Paperback. 372 pages. Dimensions: 9.2in. x 7.0in. x 1.1in. Provides an insiders view of the special education process for parents and teachers. This book explores the special education process—from testing and diagnosis to IEP meetings and advocating for special needs children. Step by step the authors reveal the stages of identification, assessment, and intervention, and help readers to better understand special needs childrens legal rights and how to become an active, effective member of a childs educational team. Grounded in more than twenty-five years of working with students, parents, and educators, the authors provide significant insight into what they have learned about the special education. This book fills the gap in the literature for the millions of children receiving special education services and the parents who are clamoring for information on this topic. Includes valuable tools, checklists, sample forms, and advice for working with special education students. Demystifies the special education process, from testing and diagnosis to IEP meetings and advocating for children. This new edition discusses Response-to-Intervention (RTI), a new approach to diagnosing learning disabilities in the classroom; has an expanded coverage of autism spectrum disorders and bipolar disorder; and includes a revamped Resources section. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
