iUniverse. Paperback. Book Condition: New. Paperback. 176 pages. Dimensions: 9.1in. x 6.1in. x 0.5in. Numerous books and pamphlets have been written on what the author calls the American theme. However, many of these publications are nothing more than a synopsis of American tragedy and government corruption. This book has a larger, more ideal ambition, says the author. In the truest sense, America in Perspective is not as much a book about whats wrong with America as it is a book about whats right (or will be right) with America. America in Perspective is a catchy book, different than the masses. The author writes of Americas past, present and future as seen through a religious perspective. Though primarily LDS (Latter-day Saint or Mormon) oriented, America in Perspective can inspire anyone who has even an inkling of American patriotism. With numerous quotes from scripture, past and present religious authorities, political leaders and other sources, America in Perspective is a classy book that fills a contemporary need. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
