Createspace, United States, 2013. Paperback. Book Condition: New. Kate Eileen Shannon (illustrator). 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Brigid Kildare is not your typical hard boiled private eye. But she doesn't pretend to be. No matrimonial. No child custody. No bodyguard or surveillance work. No process serving. Brigid is strictly data. Asset searches, background searches, computer security, pre-employment screening, and basically any type of records research is what she deals in. And you really could not expect anything else. After all, your average five foot tall, blue eyed, blond (one friend describes her as looking like a Christmas tree angel) is rarely the person you would send out after a bail jumper. Oh, and there is that whole one leg thing - ADA aside, most people don't think of an amputee as the go to person for a security job. But in SOCIAL INSECURITY, the first in the Brigid Kildare Mystery Series, professional PI, Brigid Kildare, turns amateur sleuth when old ladies in the Federal Hill area of Providence start to go missing and she can't get the police to believe her. As her assistant and long time friend, Kevin, puts it: Honey, if an old lady like Jessica Fletcher can do it, a one-legged PI and her gay PA can do it too! Brigid solves the mystery, along with an odd cast of friends and family, but not before four old ladies have died, she has caught the eye of a handsome Providence detective, and she discovers that not everyone who is close to her is what they appear to be. NOTE FROM AUTHOR: SERIES VS SERIAL: My first book, Social Insecurity, is the first in a series. Or is it? Not really. It is the beginning of...
