THE POWER OF INNER-ABILITY: 3 MOST POWERFUL INFALLIBLE LAWS OF LIFE: A GUIDE TO ACHIEVING TRUE SUCCESS

Createspace, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.WHY THIS BOOK? This is NOT a self-help book, because nothing like that really exists. This book will make you aware (if you are not already) of the incredible inner power (called inner ability) that you already possess within you. It is intended to be a guide to activating the power of your inner ability, so as to start or help you continue on your journey towards true and lasting success-what you were really created for. This book is based on a ten-year study of how people have used and still use the three most important, foundational, universal, timeless and infallible principles for becoming truly successful. The Power of Inner Ability is the outcome of this study. It outlines the three core principles for achieving true and lasting success. It also explains and gives examples of how you can apply these same three core principles of true success to any undesired circumstances in your life, and begin to see positive, significant changes. I call these principles of true success The ODD Principles . These are the same principles used by any truly successful person you know or have ever heard of. These principles underscore every personal development book you will ever read, every self-improvement course you will ever take and every seminar on personal improvement you will ever attend. When you understand how these core principles work, you will be able to apply them to any area of your life: finances, relationships, parenting and every other goal you set. True success is attainable if these core principles are obeyed. This book has been written in such a way that, the three core principles outlined within, if applied, will...
