WHITMAN S RIDE THROUGH SAVAGE LANDS

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A great Exposition of the arts and industries of the whole wide world is to be held this summer in the beautiful city of Portland, Oregon. It is to commemorate the grand achievement of a few brave men and one brave woman, who lived, labored, and conquered a century ago. At the call of their commander, they exiled themselves from home and friends; they crossed the wide deserts, climbed through gorges and peaks of the great Stony Mountains, struggled through the pathless forests of giant firs, lived among wild beasts, and wilder men, until they reached the pathless Pacific Ocean-that was then but a waste of water, where great whales sported and the seals found abundance of food amid rocky shores and islands for safe homes. Now teeming multitudes inhabit the fertile plains; through the rugged mountains pass the great highways of the world-along the charted coast are many ports, where white-winged fleets lie at anchor and the great black freighters load and unload the commerce of many lands. But Portland still retains many of the old landmarks. The beautiful Columbia River still flows by it to the sea, forests are not far away, and the everlasting hills are about it, with their white-capped peaks piercing the sky.
