Filesize: 8.08 MB

### ***Reviews***

*Absolutely one of the better ebook I have got actually read. Indeed, it is actually engage in, still an amazing and interesting literature. I realized this book from my i and dad advised this ebook to learn.*  
(Flo Welch)

## IRON HEART: THE TRUE STORY OF HOW I CAME BACK FROM THE DEAD

Skyhorse Publishing. Paperback. Book Condition: new. BRAND NEW, Iron Heart: The True Story of How I Came Back from the Dead, Brian Boyle, It was a horrific car crash. On the way home from swim practice, eighteen-year old Brian Boyle's future changed in an instant when a dump truck plowed into his Camaro. He was airlifted to a shock-trauma hospital. He had lost sixty percent of his blood, his heart had moved across his chest, and his organs and pelvis were pulverized. He was placed in a medically-induced coma. When Brian finally emerged from the coma two months later, he had no memory of the accident. He could see and hear, but not move or talk. Unable to communicate to his doctors, nurses, or frantic parents, he heard words like "vegetable" and "nursing home". If he lived, doctors predicted he might not be able to walk again, and certainly not swim. Then, miraculously, Brian clawed his way back to the living. First blinking his eyelids, then squeezing a hand, then smiling, he gradually emerged from his locked-in state. The former swimmer and bodybuilder had lost one hundred pounds. "Iron Heart" is the first-person account of his ordeal and his miraculous comeback. With enormous fortitude he learned to walk, then run, and eventually, to swim. With his dream of competing in the Ironman Triathlon spurring him on, Brian defied all odds, and three-and-a-half years after his accident, crossed the finish line in Kona, Hawaii. Brian's inspiring journey from coma to Kona is brought to life in this memoir.
