

Spark the Creative Flame: Making the Journey from Craft to Art

By Paul J. Stankard

McDonald Woodward Publishing Company, US, United States, 2013. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. Spark the Creative Flame is a resource that strives to inform, inspire, and motivate all who work in craft and wish to improve the creative expression of their work. While the book features flameworked glass and artisans who do this work, the insights and recommendations presented transcend material and speak to broader issues relevant to all creative craftspeople. The book is made up of three parts. The first consists of three essays by scholar-artists that consider the recent history of craft; the relationships among craft, design, and art; and the many facets of beauty. Section two presents a retrospective on the 50-year career of internationally acclaimed artist Paul J. Stankard. The third provides overviews of the careers of twelve contemporary glass artists. Collectively, the reader is presented with insightful perspectives on the aspirations, strategies, challenges, and accomplishments of a representative sample of internationally respected flameworking artists.
