By Lori Goldson

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The twenties was the ultimate change in perspective for how I viewed the world. I was no longer blinded by naivete of adolescence or even optimism of childhood. I was forced to face many facts that I already knew of, yet hadn't quite swallowed as my reality. Despite the hindrances of being black female, I no longer saw it as such. I began to realize the power in it, and celebrated the diversity of my hair, the beauty in my skin, and the amazement of being able to code-switch in such a way that I could interact with anyone from anywhere. I realized that the varied perspectives I have on life and my personal experiences made me palatable for a wide variety of people despite my skin color. It made me feel that much more empowered. Being a twenty-something is an experience like no other. You truly come into your own, and become a person that is no longer just seen as a student of the child or sibling or someone. Your presence becomes...
