North Star Press of St. Cloud, United States, 2014. Paperback. Book Condition: New. 226 x 155 mm. Language: English . Brand New Book. Steeped in the history of the French-Canadian voyageur journeys in the early 1800s in North America, *Waters Like the Sky* is a story of a well-educated teen boy who despises his fancy schooling and longs for a more adventurous life. Andr's fate changes when a letter with a royal seal arrives. He discovers he has French noble blood. He is part of a family in France, has a brother he's never met, and an enemy who wants him dead. Determined to locate his brother and set things right, Andr sets out to search for Denis in the only way open to him—becoming a voyageur. Unaccustomed to the hard voyageur life, Andr uses his only advantage—his education. He fights to earn the respect of his fellow voyageurs and gains many life lessons on his quest to track down his brother. Will he be able to reach Denis before the evil one the natives call the windigo finds him first?.
