Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.This quick-to-read guide offers an easy, seven-step overview on how you can become your own publisher and publish books using Lightning Source as your printer, the top print-on-demand company for traditional publishers, university presses, author services companies, and countless micro-publishers just like you. Inside you will find: A 7-step guide to publishing your book using print-on-demand printing via Lightning Source Cost Evaluation worksheets to monitor your profit Frequently Asked Questions answer guide Help sheets, Reference list, and marketing tips Why allow a publisher to gobble 94 of your hard earned profits, when you could be pocketing 30 , 40 , 50 , or more? Why sit on your hands with lost sales while you wait for up to two years for your book to hit the shelves? Should you allow an online print provider to dictate your pricing and wholesale discounts when you can be in control of how much you earn? Shouldn t YOU be in charge of your book s design and destiny? For over fifteen years, designer, consultant, and print-on-demand specialist, Jamie L. Saloff, has walked countless authors through each phase of the self-publishing process, guiding them every step of the way in creating Profitable Print Products. Saloff has guided men, women, talented teens, Gen Xers, baby boomers, golden agers, and even posthumously published authors regardless of age or technical ability through these seven easy-to-do steps. If you are tired of waiting for a traditional publisher to find you, have tried online publishing services and were dissatisfied, or are ready to go it alone but want to ensure your book will look professional and be available in a global market, the advice in this...
