CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 298 pages. Dimensions: 8.9in. x 6.0in. x 1.1in. What if you could create a universe: a miniature self-enclosed universe Imagine having probing cameras that could focus to any star or planet looking for life. And once you found life, what if you could accelerate time and watch it evolve What might you find These are not the questions Jon Gruber ponders as he pedals to his next carpentry job. Over thirty and unmarried, he doesn't even own a car. But a new assignment challenges him to rethink his place in the world. Is he a loser Or is he about to become a partner in an experiment of phenomenal discovery Webster Adams, astronomer, inventor, and Jon's latest client, performs such an experiment. To Webster's amazement, he finds planets and cultures beyond his wildest dreams. His little universe turns into a discovery machine--an overnight goldmine. He and his crew observe societies so far past them on levels of technology and spirituality, that the world will be forever changed. Webster's lovely daughter, Whitney, also overwhelms Jon. She opens his eyes to the deeper meanings within the experiment by finding the...
