Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Save \$3,000 a year on mutual funds, insurance, etc. Buy online-skip the middle-people markup. Buy only what you need-with discounts. Use a Tax-FREE account. Never pay income tax. Future millionaires are obtaining all the information they need to make wise financial decisions FREE. The answers are online. The financial industry retail model is dying. People of all ages are shopping for almost everything online FIRST. Eventually, people will realize that their advisors are not worth the costs. Right now, because of hidden fees and charges, the industry gets away with robbing most working people of 40 to 60 of their potential retirement money. Currently, few financial statements provide the total actual costs in plain English. They hide them for a reason! Right now, the industry takes over \$600 billion away from working people trying to build their nest eggs. Most receive poor advice and thus earn less than a market index fund could provide. Likely, you are paying fees for things in your accounts you don t even need. You are probably using companies that are in business...
