Man and Technics: A Contribution to a Philosophy of Life

By Oswald Spengler

Arktos Media, United Kingdom, 2015. Paperback. Book Condition: New. 2nd. 211 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.In this new and revised edition of Oswald Spengler's classic, *Man and Technics*, Spengler makes a number of predictions that today, more than eighty years after the book was first published, have turned out to be remarkably accurate. Spengler predicted that industrialisation would lead to serious environmental problems and that countless species would become extinct. He also predicted that labour from Third World countries would increasingly outcompete Western workers by doing the same work for much lower wages, and that industrial production would therefore move to other parts of the world, such as East Asia, India, and South America. According to Spengler, technology has not only made it possible for man to harness the forces of nature; it has also alienated him from nature. Modern technology now dominates our culture instead of that which is natural and organic. After having made himself the master of nature, man has himself become technology's slave. The victor, crashed, is dragged to death by the team, Spengler summarises. Finally, Spengler foresaw that Western man would eventually grow...
